

INDEX OF GRI-G4 CONTENT

The index of GRI-G4 content is made up of two parts. The first part contains references to the indicators reported in accordance with the core option, based on the materiality analysis carried out in the reporting year (see also pages 33-35). The second part contains references to other GRI-G4 indicators that complete the outline of CNH Industrial's performance.

For each indicator, the page number refers to the 2013 Sustainability Report; however, where specifically stated, the reference is to the Annual Report as at 31 December 2013, available online at www.cnhindustrial.com.
